قسم الطفيليات الطبية.

### توزيع الإشراف على الرسائل طبقا للتخصص العلمي

التخصص الدقيق	عضو هيئة التدريس	الرسائل المشرف عليها
	د. نادية صلاح النحاس	Morphological and molecular identification of acanthamoeba species in some drinking water treatment plants in menofia governorate
		Study The Immuno-protective And Therapeutic Efficacy Of TrichinellaSpiralis Nano-Cathepthin B Proteinase In Murine Trichinellosis
	د. نشأت السيد ناصف	Parasitological,histopathological,molecular and ultrastructure studies of the effect of proton pump inhibitor in murine model of expiremental cryptosporidiosis parvum
		IN VITRO EVALUATION OF THIORE DOXIN REDUCTASE INHIBITOR (AURANOFIN) ACTIVITY IN COMPARISON WITH TRICLABENDAZOLE ON ADULT FASCIOLA GIGANTICA
		Evaluation of nano gold beads sandwish ELISA for early detection of trichnellaspiralis antigen in expirementally infected mice
	د. اميمه كامل الشافعى	Parasitological,histopathological,molecular and ultrastructure studies of the effect of proton pump inhibitor in murine model of expiremental cryptosporidiosis parvum
		IN VITRO EVALUATION OF THIORE DOXIN REDUCTASE INHIBITOR (AURANOFIN) ACTIVITY IN COMPARISON WITH TRICLABENDAZOLE ON ADULT FASCIOLA GIGANTICA
		Protective Effects of Soluble Egg Antigen ConjugatedWith TrehaloseDimycolate Adjuvant in Murine Schistosomiasismansonii
	د. محمد محمد عبدالغفار	The therapeutic efficacy of Genistein on Schistosomamansonii experimentally infected mice
	د. منى السبكى	Study the therapeutic effects of metformin in comparison with albendazole on molecular

<b>trichinellosis in experimentally infected mice</b>		
<b>Study the Effect of Azoximer Bromide in Comparison to Nitazoxanide on Immunosuppressed Mice Experimentally Infected with Cryptosporidium Parvum</b>		
<b>A Study of The Immunomodulatory Effect of Schistosomamansoni Infection and Soluble Egg Antigen on Collagen-Induced Arthritis in Experimental Mice.</b>	د. وفاء القرش	
<b>Study The Immuno-protective And Therapeutic Efficacy Of TrichinellaSpiralis Nano-Cathepthin B Proteinase In Murine Trichinellosis</b>		
<b>Study the therapeutic effects of metformin in comparison with albendazole on molecular trichinellosis in experimentally infected mice</b>	د. جيهان صلاح صادق	
<b>Astudy of the protective and therapeutic effects of probiotics on experimental toxoplasmosis</b>		
<b>Evaluation of nano gold beads sandwich ELISA for early detection of trichnellaspiralis antigen in experimentally infected mice</b>	د. منال احمد المليجي	
<b>Astudy of the effect of covid vaccine on mice experimentally infected with schistosomamansoni</b>		
<b>Astudy of the effect of covid vaccine on mice experimentally infected with schistosomamansoni</b>	د. نانسى حربيه	
<b>Study the therapeutic effects of metformin in comparison with albendazole on molecular trichinellosis in experimentally infected mice</b>	د. بهاء الدين وديع الاسود	
<b>Morphological and molecular identification of acanthamoeba species in some drinking water treatment plants in menofia governorate</b>	د. اميره فتحى	
<b>In vitro effects of plumbagin on schistosomahematobium adult and cecaria</b>		
<b>In vitro effects of plumbagin on schistosomahematobium adult and cecaria</b>	د. اسماعيل محمود محرم	
<b>Study The Immuno-protective And Therapeutic Efficacy Of TrichinellaSpiralis Nano-Cathepthin B Proteinase In Murine Trichinellosis</b>		
<b>The therapeutic efficacy of Genistein on</b>		

<b>Schistosomamansoni experimentally infected mice</b>		
<b>A Study of The Immunomodulatory Effect of Schistosomamansoni Infection and Soluble Egg Antigen on Collagen-Induced Arthritis in Experimental Mice.</b>	ا.د امانى راضى	
<b>IN VITRO EVALUATION OF THIORE DOXIN REDUCTASE INHIBITOR (AURANOFIN) ACTIVITY IN COMPARISON WITH TRICLABENDAZOLE ON ADULT FASCIOLA GIGANTICA</b>		
<b>Evaluation of nano gold beads sandwish ELISA for early detection of trichnellaspiralis antigen in expirementally infected mice</b>	ا.د انجى فيكتور نصيف	
<b>Parasitological,histopathological,molecular and ultrastructure studies of the effect of proton pump inhibitor in murine model of expiremental cryptosporidiosis parvum</b>		
<b>In vitro Efficacy of Lemon Grass (Cymbopogon citratus) on Schistosoma mansoni adult worms</b>		
<b>IN VITRO EVALUATION OF THIORE DOXIN REDUCTASE INHIBITOR (AURANOFIN) ACTIVITY IN COMPARISON WITH TRICLABENDAZOLE ON ADULT FASCIOLA GIGANTICA</b>		
<b>Astudy of the protective and therapeutic effects of probiotics on expiremental toxoplasmosis</b>	ا.د سلوى فؤاد عشيه	
<b>Astudy of the effect of covid vaccine on mice expirementally infected with schistosomamansoni</b>		
<b>The therapeutic efficacy of Genistein on Schistosomamansoni experimentally infected mice</b>		
<b>Study the therapeutic effects of metformin in comparison with albendazole on molecular trichinellosis in expirementally infected mice</b>	ا.د شـيـمـاء احمد شرف الدين	
<b>Protective Effects of Soluble Egg Antigen ConjugatedWith TrehaloseDimycolate Adjuvant in Murine Schistosomiasismansoni</b>		
<b>Evaluation of nano gold beads sandwish ELISA for early detection of trichnellaspiralis antigen in expirementally infected mice</b>	ا.د سـمـر الرفاعى	
<b>IN VITRO EVALUATION OF THIORE DOXIN REDUCTASE INHIBITOR (AURANOFIN) ACTIVITY</b>		

<b>IN COMPARISON WITH TRICLABENDAZOLE ON ADULT FASCIOLA GIGANTICA</b>		
<b>A Study of The Immunomodulatory Effect of Schistosomamansoni Infection and Soluble Egg Antigen on Collagen-Induced Arthritis in Experimental Mice.</b>	د امانی فوزی عطیه	
<b>Study the Effect of Azoximer Bromide in Comparison to Nitazoxanide on Immunosuppressed Mice Experimentally Infected with Cryptosporidium Parvum</b>		
<b>Study The Immuno-protective And Therapeutic Efficacy Of TrichinellaSpiralis Nano-Cathepthin B Proteinase In Murine Trichinellosis</b>		
<b>In vitro effects of plumbagin on schistosomahematobium adult and cecaria</b>	د رهام برکات	
<b>Protective Effects of Soluble Egg Antigen ConjugatedWith TrehaloseDimycolate Adjuvant in Murine Schistosomiasismansoni</b>		
<b>Study the therapeutic effects of metformin in comparison with albendazole on molecular trichinellosis in expirementally infected mice</b>	د امانی عمار	
<b>The therapeutic efficacy of Genistein on Schistosomamansoni experimentally infected mice</b>		
<b>Astudy of the effect of covid vaccine on mice expirementally infected with schistosomamansoni</b>	د نهی احمد ابو خلیل	
<b>Morphological and moleclular identification of acanthamoeba species in some drinking water treatment plants in menofia governorate</b>		
<b>Morphological and moleclular identification of acanthamoeba species in some drinking water treatment plants in menofia governorate</b>	د فاطمه حامد شعلان	
<b>Parasitological,histopathological,molecular and ultrastructure studies of the effect of proton pump inhibitor in murine model of expiremental cryptosporidiosis parvum</b>		
<b>Study the Effect of Azoximer Bromide in Comparison to Nitazoxanide on Immunosuppressed Mice Experimentally Infected with Cryptosporidium Parvum</b>	د نهی محمد کمال ابو حسین	

<b>A Study of The Immunomodulatory Effect of Schistosomamansoni Infection and Soluble Egg Antigen on Collagen-Induced Arthritis in Experimental Mice.</b>		
<b>Study The Immuno-protective And Therapeutic Efficacy Of TrichinellaSpiralis Nano-Cathepthin B Proteinase In Murine Trichinellosis</b>		
<b>Astudy of the protective and therapeutic effects of probiotics on expiremental toxoplasmosis</b>	د تهانی عبداللہ العطار	
<b>In vitro effects of plumbagin on schistosomahematobium adult and cecaria</b>		
<b>In vitro Efficacy of Lemon Grass (Cymbopogon citratus) on Schistosoma mansoni adult worms</b>	[د دعاء ابو جلالہ	
<b>Evaluation of Therapeutic Effect of Vitex Agnus-Castus (Lamiaceae) extract on Experimental Giardiasis</b>	د. أحمد سعيد
