**Abd El-Naser A. Mohammed**

Assoc. Prof. Dr. in Electronic and Electrical Communication  
Engineering Department , Faculty of Electronic  
Engineering, Menoufiya University

Ph.D. : University of Menoufiya, 1994

Phone : home: 048 / 3666501 - work: 3661334

Mobile: 010 /1243314

Fax. : 048/3660716

Room : 243, Electrical and Electronic Eng. Dept.

Email: abd\_elnaser6@yahoo.com

**Research Interests : In the area of Optical Communication Systems  
and all communication systems**

Dr. Abd El-Naser is interested in the area of optical communications (Optical Sources, Detectors, Optical amplifiers, Optical cables, Optical networks, Optical computers, Optical measurements, Optical connectors, Different propagation phenomena in different optical channels, ..... etc.). Other areas of interest are: The digital communication systems, and the computer software using different languages and different techniques.
