

1- MU_FSCI_GEOL_DATA_Mohamed. Khalifa

Geology Department, Faculty of Science, Menoufia University Shibin El Kom,
Egypt
Fax.No.002 048 2235689
Email: kh_cycle@yahoo.co.uk

Date of Birth: 1/5/1949
Marital Status Married
Nationality Egyptian

Education:

B. Sc. in Geology May 1972, Cairo University.
M. Sc. in Geology (Sedimentology and stratigraphy),1978,Cairo
University
Ph. D. in Geology(Sedimentology and stratigraphy),1982,Cairo
University.

Occupation 1-Field geologists in the Geological Survey of Egypt-from 1973-1978
2-Assistance lecturer in Geol. Dept. Menoufia Univ., from 1978-1982
3-Lecturer in Geology Department. Menoufia University from 1982-
1988
4-Associate Prof. In Geology Department, Menoufia University from 1988-
1995
5-Prof. in Geology. Department. Menoufia University from1995-till
now
6- Head of Geology Dept, Faculty of Science from 1999-2004;
7-Vice-Dean of the Faculty of Science, Menoufia University from
2004- 2007.

:

Professional activity:

Field geologists (constructing geological mapping using aerial photographs, -1
field structures, geomorphology)
High experience in sedimentary rocks (petrography, diagenesis -2
depositional environments, basin analysis, cyclicity in sediments
and sequence stratigraphy).

- In 1981, sharing with Shell Wining Company for oil exploration in the Bahariya Oasis (field studies and petrographic investigation of the clastic rocks of the Cenomanian Bahariya Formation). -3
- Teaching sedimentary petrology, Geological history of the Earth, Geology of Egypt., Field geology , Sedimentary facies in the faculty of Science , Menofia University, 1982-till now. -4
- .5- Supervising drilling water wells and field studies (26 deep wells) in Al Queisy Company in the Al Qasim Province, Saudi Arabia from 1984-1987.
- 6- Visiting Professor to Berlin University, Germany in 1993, supervising Ph. D. student (Mohamed Abu El Hassan)
- 7- Teaching in the El Emam University in Saudi Arabia from 1995-to 1999.
- 8- Visiting Professor to Tuscopa University ,Japan. In 2002. (two weeks)
- 9- Attending the International Geological Congress in August, 2004. in Italy. and presents paper entitled: Montonous carbonate cycles of Maghra El Hadida Formation (Turonian), Gabal Ataqa, Gulf of Suez, Egypt.
- 10- Member in the Committee of the Authority of Nuclear Materials in Egypt from 2005 till now.
- 11- Member in the Commission for the Management and Application of Geoscience Information (CGI) from 2004 till now.
- 12- Visiting Professor to Geology Department, Shinshu University, Matsumoto, Nagano, Japan as scientific mission for three months (20-11-2007 to 20-2-2008).
- 13- Supervising 42 Thesis (Ph. D., and Ms. C.) in six Egyptian Universities (Cairo University, Menoufia University, Southern Valley University, Al Azhar University, Sohaj University, and El Fayium University).
