

MU_FSCI_PHYS_SOLI_DATA_Mohmud.Ewaida

Prof. Dr. Mahmud Ahmed Ewaida

Name: Prof.Dr. Mahmud Ahmed Ewaida.

Occupation: Professor of Physics and Dean of the Faculty of Science, Menoufia University.

Date of appointment: 18/3/1990 as a professor.

Date of birth: 27/12/1946.

Scientific career:

1-BSc. Assiut University 1968 in physics. & Geology, very good.

2-Ph.D. in physical and mathematical science. Leningrad University, the Soviet Union, 1977.

Occupational career:

1-Demonstrator at the department of physics, Faculty of Engineering. Al-Azhar University on 6/7/1969.

2-Lecture at the faculty of Education, Menoufia University on 31/12/1978.

3-Lecturer at the department of physics, Faculty of Science, Menoufia University on 1/1/1984.

4-Assistant professor at the department of physics, Faculty of Science on 16/3/1986.

5-Professor at the department of physics, Faculty of Science on 18/3/1990.

6-Head of the council of the department of physics on 8/8/1992 for three years.

7-Vice-dean of the Faculty of Education, Menoufia University for students and education affairs for four years from 1/1/1994 through 30/12/1997.

8-Head of the council of the department of physics from 24/9/2000 for three years.

9- Dean of the faculty of science from 19/2/2004.

Scientific achievement:

First, scientific researches.

More than forty papers have been published in specialized international scientific journals.

Second,

(a) Supervising 9 M.A. theses. (b) Supervising 6 PH.D dissertations, third, referee of various M. A and Ph. D dissertations.

Local conferences;

- 1-The second conference on radioactive physics held at the Faculty of Science, Menoufia University in 1992.
- 2-The first conference on the diffusion of radio waves held in Cairo from 25th through 28th of February in 1991.
- 3-The conference of youth and safety (Sheraton Hotel, Giza) 29th through 31th of January 1994.
- 4-Conference of Egyptian Universities on the national strategy of illiteracy elimination on May 8th, 1996.
- 5-Conference of scouts education and teacher training (the International Arab Scouts Centre in Cairo) from 19th through 22nd of February 1996.

6-The first scientific conference of the Faculty of Education in Benha (Benha) from 26th through 37th of February 1997.

7-The second Arab conference on the systematic approach in teaching and education from 10th through 11th of February 2002 at Ain Shams University.

8-Attending the first international workshop on the science and technology of fluid crystal materials at Safir Hotel, El- Messaha Square, Dokki from 19th through 20th of March in 2002.

International conferences:

1-Attending the course of microprocessor from September 7 through October 12, 1981 at the Institute of Theoretical physics in Trieste, Italy.

2-Attending the 85th conference of the American Ceramic Association in Chicago, USA from 24th through 27th April 1983.

3-Attending the 7th conference on ferrorite organized by the American Ceramics Association in San Francisco in 1985.

4-Attending the 1st conference of the physics of the condensed state held in Amman, Jordan from 28th through 31st of October 1986.

5-Attending the 25th conference of the Canadian Spectra Association held in Ottawa, Canada from 21st through 27th of June 1987.

6-Attending the workshop of the diffusion of seismic waves at the international centre for theoretical physics in Trieste, Italy from September 25- through October, 6, 2000.

Works:

First, specialized scientific books.

1-waves and acoustics, 1st edition 2002.

Second, scientific and cultural books.

2-Meditations on the universe. 1st edition 2001.

3-Meditations on the universe. 2nd edition 2000.

4-Pollution: rheumatism of the age: 1st edition 2004,

Third, scientific associations.

1-member of the Egyptian association for solid physics.

2-Member of the Arab association for materials sciences.

3-Member of the American academy of science, New York.

Establishments

Founded various laboratories for students at the faculty of education besides Research laboratories since 1978.

Students- related activities:

1-Leader at the sports committee faculty of education, Menoufia University for several years.

2-Leader-general of the students-union, faculty of science, Menoufia University for several years.

- 3-Leader of several University families at the faculties of education and science.
- 4-Member of university dormitories. Board for several years.
- 5-The first leader-general of the young people train, Menoufia university which included 800 male students and 200 female students totaling 1000 students besides 30 supervisors from all faculties of the university.
- 6-prepared the scientific material for the 3 x 1 program at the middle of the delta radio. This program toured several faculties at the university in the early 1980s.
- 7-supervised several long students' trips to hurgada, Luxor and Aswan.
- 8-Supervised various students groups at the leader's preparation institute in Hellman.
- 9-Supervised various one day tours to Cairo, Ismailia, Alexandria, einsokhna and Fayoum.
- 10-Organized various sports days between faculties of education and physical education in abi queer, Alexandria.
- 11-Organized various sports days between the faculty of education and the Menoufia security regiments to celebrate the police day for several years.
- 12-Lectured before various young people groups from the youth and sports directorate at its camp in balteem.

13-Lectured before various groups of the youth and sports directorate in the leaders preparation institute.

Public activity outside the university:

1-Prepared the scientific material for the 3x1 program at the middle of the Delta Radio. This program toured several faculties at the university in the early 1980s.

2-Member of the International Automobile Club.

3-Member of the board of Al-gomhoriya club for four years: 1994-1998.

4-Trustee of Al-gomhoriya club from 1998 to 2002.

5-Vice- head of the board of the regional association of girl scouts in Menoufia for several years.

The countries and cities visited:

A)-The soviet Union, West Germany, Germany, the United Kingdom, Austria, North America, Canada, Syria, Jordan, Qatar, Bahrain, Italy, Switzerland, Poland, Turkey, Romania, Bulgarian, Moscow, Leningrad, Kiev, Volgograd, Odessa, Uzbekistan, haskand, Bukhara, Samarqand, mins, London Dover, knarkev, Frankfurt, KlennAchen, Innsbruck, Trieste, Milano, Rome, Venice, Basel,

B)-Moscow, Leningrad, Kiev, Volgograd, Odessa, Uzbekistan, haskand, Bukhara, Samarqand, mins, London Dover, knarkev, Frankfurt, Klenn Aachen, Innsbruck, Trieste , Milano, Rome, Venice, Base!, Montréal Baco, Istanbul, Verna, constine, Latakia, Petra (whose age is half history) Ammans, Doha, Manama, Vebertal, Düsseldorf, Chicago, New York, San Francisco.
