- **Date of Starting work:** 28/11/1972.
- **Present Position:** Professor of Engineering Physics ,Department of Physics and Engineering Mathematics.
Faculty of Electronic Engineering, Menoufia University,
Menouf, Egypt.

Scientific Qualifications:

1. Ph. D. Physics, Chelsea Collage, University of London, England, (August 1981).
2. M. Sc. Physics, Chelsea Collage, University of London, England, (July 1976).
3. B. Sc. Applied physics - Faculty of Science - Ain Shams University, (June 1970).

Scientific Activities:

1. Attending several scientific conferences and training courses in England, Italy, France and Hungary.
2. Supervising Ph. D. and M. Sc. degrees students.
3. Establishing physics laboratories for postgraduate research and undergraduate students.
4. Establishing research laboratory for Superconductivity.
5. Contributing in developing projects for Higher and Industrial education.
6. Contributing in the national project of Design Ergonomics.

Scientific areas of interest:

- Engineering Physics.
- Solid State Physics.
- Superconductivity.
- Semiconductor Physics.

Teaching Experience:

- 1- Teaching in Physics laboratories, Faculty of Engineering of Portsaid (1972 – 1974).
- 2- Assisting in teaching in laboratories of Physics and Electronics, Bedford College, University of London, England (1975 – 1978).
- 3- Teaching in laboratories of Physics and Electronics, Chelsea College, University of London, England (1978 – 1981).
- 4- Teaching Solid State Physics, General Physics and Semiconductors, Faculty of Electronic Engineering Menoufia University, Egypt (1981 – till now).
- 5- Teaching different Physics courses, Yanbou Industrial College, Saudi Arabia (1990 – 1996).
- 6- Teaching Material Science and General Physics, Higher Institute of Optics, Cairo, Egypt (1997 – 2005).
- 7- Teaching General Physics, Technical Institute of Developed Industries, Cairo, Egypt (2006 – till now).
